The screenshot shows the Coursera website interface. At the top, there are navigation links for 'For Individuals', 'For Businesses', 'For Universities', and 'For Governments'. The Coursera logo and a search bar are also visible. Below the navigation bar, there's a breadcrumb trail: 'Browse > Information Technology > Data Management'. A promotional banner at the top right mentions 'Cultivate your career with expert-led programs, job-ready certificates, and 10,000 ways to grow. All for ₹8,499, down from ₹33,000. [Save now](#)'. The main content area features the 'Tableau for Data Visualization and Analysis' course by LearnKartS. The course is described as 'Enroll for Free Starts Apr 5' and 'Included with **Coursera Plus** • [Learn more](#)'. A modal window is open in the center, titled 'Tableau for Data Visualization and Analysis', with two options: 'Purchase Course · ₹2,530' (selected) and 'Audit only'. The 'Purchase Course' option includes a note: 'Commit to earning a Certificate—it's a trusted, shareable way to showcase your new skills.' The 'Audit only' option includes a note: 'You will have access to all course materials except graded items.' A 'Continue' button is at the bottom of the modal. Below the modal, course details are listed: '3 modules' (Gain insight into a topic and learn the fundamentals), 'Beginner level' (Recommended experience), '10 hours to complete' (3 weeks at 3 hours a week), and 'Flexible schedule' (Learn at your own pace). The bottom of the page has a footer with 'About', 'Modules', 'Recommendations', and 'Testimonials' links. The Windows taskbar at the bottom shows the date as 05-04-2025 and time as 21:28.

Tableau for Data Visualization and Analysis
